Strong financial results

Value of new business (US\$ mn)

Operating profit before tax² (US\$ mn)

Environment, social and governance (ESG)

Our Group ESG strategy sets out what we aspire to achieve for our stakeholders and the communities we serve.

For example, our Community Care programmes are focused on financial inclusion, educating the next generation for a brighter future and empowering people with disabilities to live fulfilled lives.

Our signature programme with Junior Achievement equips students across Asia with the financial literacy skills and tools they need to take charge of their financial future.
